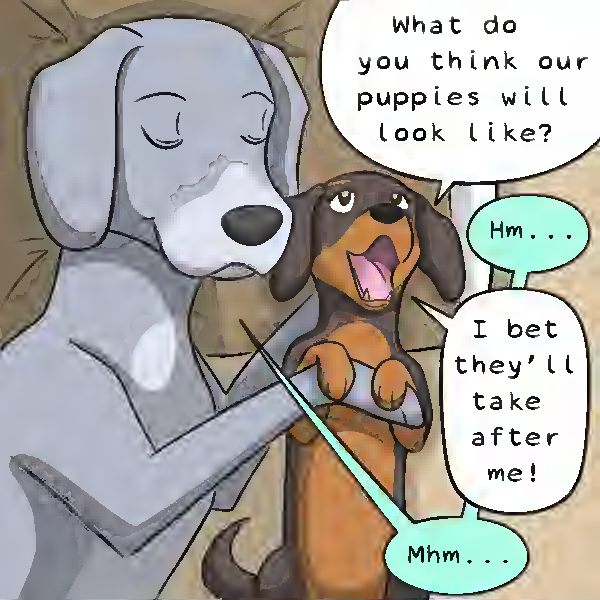
I have wonderful news!

I'm pregnant! We're going to be parents, love!
Hmm..? That's wonderful, dear!



What do you think our puppies will look like?
Hm...
I bet they'll take after me!
Mhm...

I'm worried, though...
What will happen if they're too much, um...
...like you?
Hmm?

I mean... What if they're not as petite as I am?
What if they're more...
...YOU sized?!

...We f[redacted]ed up, honey.
